Deloitte Tax, k.s. entered the slovak market in 1990.

We have been cooperating with Aspena, s.r.o. since 2002. They provide us first-class translations and certified translations from/to several language combinations in the field of taxes, economy, finance and business in the required quality while agreed deadlines are met.

Individual orders are always delivered the next day, or within several days.

Based on our experience, we can recommend services of Aspena, s.r.o. – translation and interpreting also to demanding clients.
